Why Japan?

- It is safe, clean, and convenient.
- It is one of the best countries for studying and visiting modern and traditional arts.
- The best of tradition and modern technology can be seen in Japan.
- It has a unique culture where a rich heritage contributes to an exciting future.
- In Japan, you will see timeless beauty side by side with dynamic breakthroughs in technology, culture and quality of life.
- Japan spans 20+ degrees of latitude. Visitors can enjoy a stunning range of landscapes and ecosystems, as well as historic cities and towns.
- Japanese culture has always been open and welcoming to those who bring or seek knowledge.
- Japan's world-famous tidiness and politeness will delight you.
- Japanese culture is deeply in harmony with nature.
